❖ Discussion:

▪ **Social Engagement:**

- Developing Goals & Mission
- Creative Solution
- Drive Cultural Values
- Community Ownership
- Disaster awareness Planning

▪ **Meeting With Local Committee for Future update Plan Schedule of Café**

As Café is actively running, discussed with Community how better the café could be run. They shared their thoughts & ideas also gave feedback on existing operational system. Delivered some more leaflets of Call for Proposal in Community.

This Local Committee is to create relational, social value & to support the cultural and artistic resources in the community for better Community Engagement.
